
A Family Care Practice

Today, Americans are living longer, healthier lives - largely because of the advancements in total medical knowledge, technology and innovation. Our goal is to provide excellence of patient care by offering the benefits of modern medicine to improve the health of your entire family. We feel our services are unique for three reasons.

- ◆ **Quality Care:** Very much a “family doctor,” Dr. Curtis takes the time to listen, to explain your problem and treatment options, and to be there for all your needs. His caring concern for each member of your family provides the family health care we feel you deserve.
- ◆ **Complete Care:** We take an interest in all aspects regarding the health of you and your family. Taking care of your routine as well as urgent health care needs, we provide you with the most comprehensive family medical care available.
- ◆ **Responsive Care:** Dr. Curtis is available to his patients 24 hours a day. Our patients have the reassuring comfort that whenever any member of their family has a medical need, Dr. Curtis will be there.

A Unique Difference

Dr. Curtis completed rigorous training in the full range of diagnostic, treatment, and surgical procedures of modern medicine. As a Doctor of Osteopathy, he gained additional training in the musculoskeletal system and its interrelationship to problems in other parts of the body. Thus, our care focuses on the whole health of the patient, not just the treatment of an isolated organ.

Specializing in total care family medicine, Dr. Curtis utilizes his comprehensive training to monitor your health needs, advise you of potential problems, and work with you to prevent them. He handles all of your primary health care needs, tracking your health through all stages of life and helping you attain a longer lifespan.

Modern In-Office Services

- ◆ X-ray and EKG
- ◆ Cholesterol Screenings
- ◆ Allergy Testing
- ◆ Physical Therapy/Manipulation
- ◆ Minor Surgery
- ◆ Complete Lab Facilities

Comprehensive Care

We specialize in total health care, from infancy and childhood through adulthood and beyond.

- ◆ Sports and workmen’s compensation injuries
- ◆ In office surgery - skin biopsies; removal of skin cancers, cysts, moles, warts, ingrown toenails; laceration repair, removal of foreign bodies from eyes
- ◆ Hospital care

Pediatric Care

It takes a special warmth to care for children’s needs. We understand your concern, and we explain every step of your child’s care. Our services include infant and well-baby care, immunizations, physicals, treatment of illnesses, infections, and playground and sports injuries.

Physical Therapy and Manipulation

Dr. Curtis is uniquely qualified in physical therapy and osteopathic manipulation. Common problems he treats are sports injuries, acute bursitis, arthritis, and lower back pain. Our goal in your care is to reduce your pain, and to quickly return you to your normal lifestyle.

Worker’s Compensation

Prompt and proper health care reduces time away from work. We want to follow your care and return you to work as quickly and safely as possible. Our services include physical exams, preventive counseling, acute care and treatment, and physical therapy.

Our Doctor and Staff

Jeffery V. Curtis, D.O., completed his undergraduate education at Oxford College of Emory University and the University of Georgia. He received his medical education at Southeastern College of Osteopathic Medicine in North Miami Beach, followed by internship at Humana Hospital of the Palm Beaches in West Palm Beach, Florida. Practicing with a medical group in Lake Park, Florida, since 1988, Dr. Curtis pursued his goal of a private family practice in his native Georgia.

Originally from Marietta, Dr. Curtis founded his practice in Peachtree City in 1992 with a goal of providing personal, comprehensive family care of the highest quality. Dr. Curtis is dedicated to complete health care, working with each family member on their specific health care needs and their preventive health care maintenance. Responsible for the primary health care of his patients, he strives to become a “medical health partner” for the full range of family health care needs.

Dr. Curtis is a member of Sigma Sigma Phi honorary fraternity, the American Osteopathic Association, and the American College of General Practitioners. He serves on the staff of South Fulton Medical Center.

Dr. Curtis and his wife Karen, have two children.

Our Staff: We have a genuine interest in each patient, and make every effort to insure that your visit is relaxed and comfortable. Each member of our staff is experienced and has a friendly rapport with our patients. They are always glad to answer your questions and provide assistance.

Patient Education

Patient education is a priority of our practice. In addition to the one-on-one time Dr. Curtis spends educating patients, numerous educational brochures on a variety of health care topics are available in our office. If you would like to learn more about a specific medical topic, we will be glad to arrange the use of hospital resources as well.

Your Referrals

Your kind referral is the highest compliment we can receive. Please know that our appointment book is always open to your family and friends.

Your Office Visit

Although an appointment best allows us to reserve your consultation with Dr. Curtis, we are always glad to work you into our schedule when you need our help. Priority is always given to emergencies.

OFFICE HOURS ARE:

Monday thru Friday: 8 am - 5 pm

Saturday: 9 am - 1 pm

In Case of An Emergency

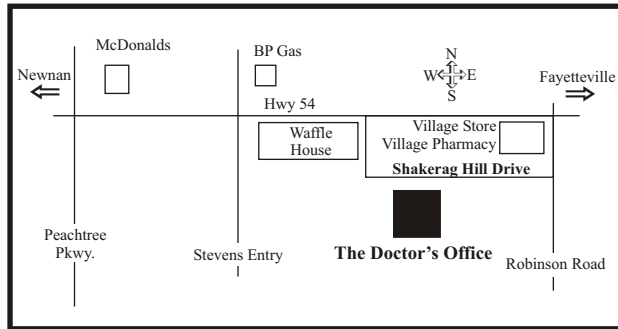

As your personal family doctor, Dr. Curtis is committed to being available to his patients and their families 24 hours a day. If you have an emergency after office hours, call our office at (770) 631-9999. Our 24 hour service will provide instructions for contacting Dr. Curtis or an associate physician directly.

Fees and Insurance

We are concerned with keeping the costs of our services affordable while maintaining our high standards of quality medical care. In our effort to control our administrative costs, we reduce the high costs associated with individual billing by requesting payment for your office visit on the day of service. For your convenience, we accept payment by cash, personal check, MasterCard VISA, Discover, and American Express.

- ◆ **Insurance:** We will provide you with forms so that you may file your insurance and be reimbursed directly.
- ◆ **Medicare:** Dr. Curtis is a participating physician. As a courtesy to our valued senior patients, we will be glad to file your Medicare forms to you. You, of course, are responsible for payment of your co-payment and your deductible.
- ◆ **Questions:** If you have any questions regarding our billing or our services, please ask. Our business staff is always available to answer your questions and to provide any assistance that you may need.
