
A Family Care Practice

Today, Americans are living longer, healthier lives—largely because of the advancements in total medical knowledge, technology and innovation. Our goal is to provide excellence of patient care by offering the benefits of modern medicine to improve the health of your entire family. We feel our services are unique for three reasons.

- ◆ **Quality Care:** Very much a “family doctor,” Dr. Hull takes the time to listen, to explain your problem and treatment options, and to be there for all your needs. His concern for each of your family members enhances his ability to provide the comprehensive health care we feel you deserve.
- ◆ **Complete Care:** We take an interest in all aspects regarding the health of you and your family. Taking care of your routine needs as well as urgent health care needs, we provide you with the most comprehensive family medical care available.
- ◆ **Responsive Care:** Dr. Hull is available to his patients 24 hours a day. Our patients have the reassuring comfort that whenever any member of their family has a medical need, Dr. Hull will be there.

A Unique Difference

Dr. Hull completed rigorous training in the full range of diagnostic, treatment, and surgical procedures of modern medicine. As a Doctor of Medicine, he gained additional training in wilderness medicine. As a Christian physician, he is a member of The Christian Medical-Dental Society. Thus, our care focuses on the whole health of the patient, not just the treatment of an isolated organ.

Specializing in total care family medicine, Dr. Hull utilizes his comprehensive training to monitor your health needs, to advise you of potential problems, and work with you to prevent them. He handles all of your primary health care needs, tracks your health through all stages of life and helps you attain a longer lifespan.

Modern In-Office Services

- ◆ X-ray and EKG
- ◆ Pulmonary Function Tests
- ◆ Minor Surgery
- ◆ Routine Gynecology
- ◆ Travel Clinic
- ◆ Full Service Laboratory
- ◆ Ultrasounds
- ◆ Echocardiography

Comprehensive Care

We specialize in total health care, from infancy and childhood through adulthood and beyond.

- ◆ Routine care for allergies, infections, colds, flu
- ◆ Physical exams—routine, pre-employment, school, and sports
- ◆ Pediatric care—well-baby care and immunizations
- ◆ Adult care—high blood pressure, diabetes, digestive problems, ulcers, heart disease, asthma, emphysema, arthritis, cholesterol
- ◆ Women’s health care—yearly Pap smears, breast exams, birth control, treatment of infections
- ◆ Dermatology care including rashes, acne, moles
- ◆ Colon cancer screenings
- ◆ Supervised weight reduction
- ◆ Sports and workmen’s compensation injuries
- ◆ In-office surgery—skin biopsies; removal of skin cancers, cysts, moles, warts, ingrown toenails, laceration repair, removal of foreign bodies from eyes
- ◆ Hospital care

Pediatric Care

It takes a special warmth to care for children’s needs. We understand your concern, and we explain every step of your child’s care. Our services include infant and well-baby care, immunizations, physicals, treatment of illnesses, infections, and playground and sports injuries.

Worker’s Compensation

Prompt and proper health care reduces time away from work. We want to follow your care and return you to work as quickly and safely as possible. Our services include physical exams, preventive counseling, acute care and treatment, and physical therapy.

Our Doctor and Staff

Barry K. Hull, MD completed his undergraduate education at Indiana University in Bloomington, Indiana in 1984, and received his medical education at the Indiana University School of Medicine in Indianapolis, Indiana. He served his internship and residency in Family Medicine at Community Hospitals of Indiana, also in Indianapolis. There he served as Chief Resident and was awarded the Jane R. Richter memorial award for outstanding resident teacher. A lifelong Hoosier, he started a new private practice in the inner city of Indianapolis in 1991 providing medical care in a needy area of the city. He also served as a volunteer physician in the Gennesaret Free Clinic administering free medical care to the homeless of the city.

Answering a long desire to experience life in another area of the country, Dr. Hull moved to Fayette County in June of 1999 along with his wife and two daughters. Dr. Hull chose to practice Family Medicine believing that he possessed those qualities that facilitate the provision of quality, thorough healthcare for all members of the family. He believes strongly in the importance of Preventative Healthcare. He has extensive experience in Pediatrics, Gynecology, Dermatology, Diabetology, Cardiology, and all other aspects of general Family Medicine. He has a particular interest in Wilderness Medicine (especially High Altitude Medicine), Travel Medicine, and a burgeoning interest in Missionary Medicine.

Dr. Hull is a member of American Academy of Family Physicians as well as a Diplomat of the American Board of Family Physicians. He is also a member of the Georgia Academy of Family Physician, The Wilderness Medical Society, and The Christian Medical - Dental Society.

Our Staff: We have a genuine interest in each patient, and make every effort to ensure that your visit is relaxed and comfortable. Each member of our staff is experienced and has a friendly rapport with our patients.

Patient Education

Patient education is a priority of our practice. In addition to the one-on-one time Dr. Hull spends educating patients, numerous educational brochures on a variety of health care topics are available in our office. If you would like to learn more about a specific medical topic, we will be glad to arrange the use of hospital resources as well.

Your Referrals

Your kind referral is the highest compliment we can receive. Please know that our appointment book is always open to your family and friends.

Your Office Visit

Although an appointment best allows us to reserve your consultation with Dr. Hull, we are always glad to work you into our schedule when you need our help. Priority is always given to emergencies.

OFFICE HOURS ARE:

Monday thru Friday: 8 am - 5 pm

Saturday: 9 am - 1 pm

In Case of An Emergency

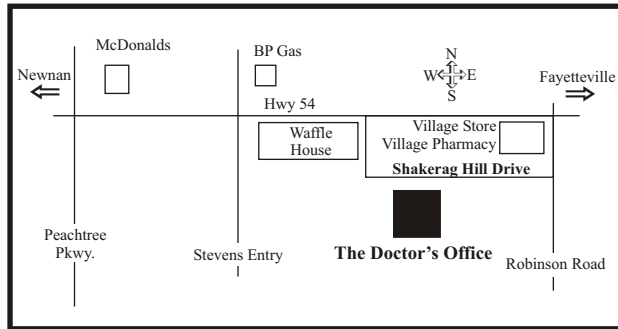

As your personal family doctor, Dr. Hull is committed to being available to his patients and their families 24 hours a day. If you have an emergency after office hours, call our office at (770) 631-9999. Our 24 hour service will provide instructions for contacting Dr. Hull or an associate physician directly.

Fees and Insurance

We are concerned with keeping the costs of our services affordable while maintaining our high standards of quality medical care. In our effort to control our administrative costs, we reduce the high costs associated with individual billing by requesting payment for your office visit on the day of service. For your convenience, we accept payment by cash, personal check, MasterCard VISA, Discover, and American Express.

- ◆ **Insurance:** We will provide you with forms so that you may file your insurance and be reimbursed directly.
- ◆ **Medicare:** Dr. Hull is a participating physician. As a courtesy to our valued senior patients, we will be glad to file your Medicare forms to you. You, of course, are responsible for payment of your co-payment and your deductible.
- ◆ **Questions:** If you have any questions regarding our billing or our services, please ask. Our business staff is always available to answer your questions and to provide any assistance that you may need.
